

Learn it! P1

As part of our **Big Maths** initiative, all the children have number facts to learn by heart. These are not as easy as they seem - the children need to know them **INSTANTLY!** Please play lots of games with these number facts to help your child to learn them.
If you need any ideas or advice, just ask!

Term 1 and 2	$1 + 1 = 2$		$2 + 2 = 4$
Term 3	$3 + 3 = 6$	$5 + 5 = 10$	$4 + 4 = 8$
Term 4	$2 + 1 = 3$		$2 + 3 = 5$

The children will have a timed test each week and will try to improve their score.

Though it is not part of the test, children also need to know **INSTANTLY** that e.g.

$$8 - 4 = 4$$

and

$$4 - 2 = 2 \text{ etc.}$$
