

Learn it! P2

As part of our **Big Maths** initiative, all the children have number facts to learn by heart. These are not as easy as they seem - the children need to know them **INSTANTLY!** Please play lots of games with these number facts to help your child to learn them. If you need any ideas or advice, just ask!

Term 1 and 2	$1 + 9 = 10$ $3 + 7 = 10$ $5 + 5 = 10$	$2 + 8 = 10$ $4 + 6 = 10$
Term 3	$4 + 2 = 6$ $7 + 2 = 9$ $4 + 3 = 7$	$5 + 2 = 7$ $6 + 3 = 9$ $5 + 3 = 8$
Term 4	$6 + 6 = 12$ $8 + 8 = 16$	$6 + 2 = 8$ $9 + 2 = 11$ $7 + 7 = 14$ $9 + 9 = 18$

The children will have a timed test each week and will try to improve their score.

Though it is not part of the test, children also need to know **INSTANTLY** that e.g.

$7 - 4 = 3$ and $11 - 2 = 9$ etc.
