Learn it! P3

As part of our **Big Maths** initiative, all the children have number facts to learn by heart. These are not as easy as they seem – the children need to know them **INSTANTLY**! Please play lots of games with these number facts to help your child to learn them. If you need any ideas or advice, just ask!

Term 1 and 2	3 + 8 = 11 $\qquad$ 3 + 9 = 12 4 + 7 = 11 $\qquad$ 4 + 8 = 12 4 + 9 = 13 10 x Tables (0 x10 up to 12 x 10)
Term 3	5 + 4 = 9 $\quad$ 5 + 6 = 11 $\quad$ 6 + 7 = 13 8 + 7 = 15 $\quad$ 8 + 9 = 17 5 x Tables (0 x 5 up to 12 x 5)
Term 4	7 + 9 = 16 $\quad$ 6 + 8 = 14 $\quad$ 6 + 9 = 15 5 + 9 = 14 $\quad$ 5 + 8 = 13 $\quad$ 5 + 7 = 12 2 x Tables (0 x 2 up to 12 x 2)

The children will have a timed test each week and will try to improve their score.

Though it is not part of the test, children also need to know INSTANTLY that e.g.

12-5 = 7 $\qquad$ **and** $\qquad$ **35 / 5 = 7**
