

JRSO meeting

Meeting attendees- Miss Keith, Iona (p6), Ross (p6), Chloe (p5/6), Finlay B (p5/6), Lacey (p5) and Logan (p5)

It has come to our attention that children from Fernielea were not being very safe on the road while coming to school.

JRSO pupils went round the classes to talk about being safe, while on a bike, scooter or walking to school. We also decided to design some road safety posters to be displayed around the school to remind everyone of the importance of being safe even if you are walking, cycling or scooting to school.
